## **AGREEMENT**

THIS AGREEMENT MADE AND ENTERED INTO AS OF July 1, 2024, by and between SP Plus Corporation, a Metropolis Company (Lindbergh Field location), herein referred to as "Employer" and Teamsters Local 481, an affiliate of the International Brotherhood of Teamsters, hereinafter referred to as "Union".

### **ARTICLE 1 – DEFINITIONS**

1. "Employee" or "employees" is defined as all employees of the Employer engaged in the operation of public and employee parking lots and other services tied to the airport parking management agreement located at and near San Diego International Airport, whether employed full time, part time, short hour and on call, working within the classifications set forth in the Appendix "A", attached hereto and made a part of this Agreement, excluding office and clerical employees, supervisory employees with authority to hire, promote, discharge, discipline or otherwise affect changes in the status of employees or effectively recommend such action.
2. Regular full time employees are defined as those who normally have a set schedule to work at least forty (40) hours per week.
3. Regular part time employees are defined as those who normally have a set schedule to work at least twenty (20) hours per week.
4. Regular part time employees are eligible for vacation pay and holiday pay.
5. Short hour employees are defined as those who normally have a set schedule to work less than twenty (20) hours per week.

6. On-call employees are defined as those who "fill-in" on an as needed basis. They are not regularly scheduled. They can work anywhere from 0-40 hours per week and their assignments are subject to the direction of management.
7. Upon hire, employees shall be notified, in writing, of their status (full-time, part-time, short hour or oncall). Should this work status change for any reason, such employees shall also be notified by the Employer. Such notice of change in work status shall be provided to the Union office on a monthly basis as well.
8. Any employee who is currently not classified as Part-Time and who works a set schedule of twenty (20) hours or more a week for six (6) consecutive months will have their work status changed to Part-Time.

## ARTICLE 2 - RECOGNITION

The Employer recognizes the Union as the exclusive representative for all parking employees of Employer in the classifications shown in Appendix "A", engaged in the operation of public and employee parking lots and other services tied to the airport parking management agreement located at and near San Diego International Airport for the purpose of collective bargaining. This Agreement shall cover all such employees.

## ARTICLE 3 – UNION

1. Only Union members shall be retained in employment. For the purposes of this Section, "Union members" shall be defined to mean employees who tender the periodic dues and initiation fees uniformly required as a condition of acquiring or retaining membership. All employees covered by this Agreement will be or become members in good standing of the Union. Employees must become a member of the

Union by the end of the succeeding payroll period after thirty-one (31) days from the date the employee starts to work.

2. All employees, upon hire, will be requested to sign an authorization for payroll deduction form and the Employer shall deduct from the wages of each employee an amount equal to the regular monthly dues and the amount of the initiation fee of the Union. Such deductions shall be made on the pay day immediately preceding the end of the calendar month, to be applied to the following month's dues, and shall be transmitted together with a list of the names of the employees from whose pay deductions are made.
3. The Employer agrees to deduct from the paycheck of any employee covered by this Agreement voluntary contributions to DRIVE. The Employer shall remit on a monthly basis to Local 481 DRIVE, in one lump sum, the total amount deducted along with the name of each employee on whose behalf a deduction is made, the employee's social security number and the amount deducted from that employee's check.
4. The Employer shall, on or before the fifth (5th) of the month, by mail, notify the Union of all new hires during the previous month.
5. Upon hiring or rehiring an employee covered by this Agreement, the Employer shall provide the employee with a Union registration form setting forth his hire date, classification, and pay rate and direct the employee to convey the form to the Union office within fourteen (14) calendar days. Upon registration, the Union shall endorse the form and return a copy to the Employer.
6. The Employer agrees to provide suitable space for a Union Bulletin Board, located at a place mutually determined by the Employer and the Union. Postings by the Union on the board are to be confined to official business of the Union.
7. The Employer agrees, subject to landowners' approval, to display to the public the Union shop card, which shall be furnished by the Union.
8. Employees shall have the right to wear Union buttons.

## **ARTICLE 4 – NONDISCRIMINATION**

Neither the Employer nor the Union, in carrying out their obligations under this Agreement, shall discriminate in any manner whatsoever against any employee because of race, sex, religious affiliation, color, nationality, ancestry, physical disability, mental disability, medical condition, an employee's exercise of rights under the Family Medical leave Act (FMLA), marital status, veteran status, or age.

## **ARTICLE 5 - PROBATIONARY PERIOD**

Upon hire all employees will undergo an initial 120 day review period during which each employee will be closely observed to determine if they can adapt to the varying pressures of the business and are able to learn and adhere to Company policies. Employees may be terminated at any time during this period without recourse through the grievance procedure.

## **ARTICLE 6 – SENIORITY**

"Seniority" is defined as an employee's length of continuous service with the Employer, within the bargaining unit, measured in calendar days from the first day the employee actually worked for the employer on or after the employee's most recent date of hire. Seniority shall not accrue to a probationary employee until completion of the probationary period set forth in Article 5, at which time the employee shall possess seniority as defined in this paragraph. Seniority shall be applicable only as expressly provided in this Agreement. Any employee transferred to any location/facility of his/her Employer will carry with him/her all seniority heretofore established. The rule of seniority shall also apply to requests for time off. As new jobs/vacancies become available, employees in seniority order may be given the opportunity to fill such open job/vacancy if they apply to the Employer, provided the

senior employee is capable to perform the work as determined by the Employer.

Seniority shall be broken by (a) discharge for cause unless reinstated through the grievance procedure, (b) voluntary resignation or quit, (c) failure to return to work after a leave of absence or failure to report for work within five (5) calendar days after notice of recall, (d) retirement, (e) layoff, if not recalled within six (6) months unless Federal, State, County, City or any other government entity requires closure or opening at reduced capacity beyond six (6) months (unless employee declines a valid job recall).

Any reduction in force due to automation or other lack of work shall be by seniority within job classification. The last employee hired within a job classification shall be the first employee laid off. The Employer will determine the timing of layoffs, the number of employees to be laid off, and in which job classifications layoffs will occur.

If the Employer determines to fill a vacancy in the job classification from which employees have been laid off, such employees shall be recalled in the reverse order of layoff, that is, the last person laid off will be the first person recalled. The Employer will determine the best procedure for notice of recall.

An employee laid off in one job classification may not bump an employee with less seniority in a different job classification.

### **Job Assignments/ Job Openings**

1. Shift assignments will be made in accordance with seniority within classification. When a shift opens within a classification, the bid will be posted to show hours of work and days off and employees within that classification will bid in accordance with seniority.

2. When a vacancy in a position or work schedule becomes available (or if there is an increase in the workforce), it shall be subject to bid by all eligible employees. The open/new position shall be filled by the most senior bidder according to Company seniority.

3. The opening created by #2 if any, shall be subject to bid by all those employees who participated in the bid in #2 above. This opening shall be filled by the most senior bidder according to Company seniority.
4. Subsequent openings, if any, shall be filled by seniority according to those employees who participate in the prior bid administered under #2.
5. Only employees who have worked their current schedule for a minimum of ninety (90) days are eligible to bid on an open position or work schedule.
6. The Company and the Union agree that the employees will be placed on seniority lists according to their respective classifications. Every six (6) months, the Company shall prepare and post a list of employees in order of their seniority in each job classification. Such list shall be posted in the employee break room or on the Union Board. Copies of such list shall be made available to the Union upon request.
7. There will be a minimum of one (1) Master Shift bid per year which will be adhered to until the next Master Shift bid. Such Master Shift bid shall occur in the last quarter of the calendar year prior to the vacation selection bid. A copy of such Master Shift bid notice will be posted and forwarded to the designated shop steward(s) and Union. Master Shift bids for full-time and part-time employees shall be administered separately.

#### **ARTICLE 7 - GUARANTEED WORK WEEK**

1. The schedule of work for all full time employees shall be not less than forty (40) hours in each work week.
2. The provisions of this Article shall not apply where no work is available due to any emergency beyond the control of the Employer. Any dispute as to the occurrence of any emergency shall be settled through the grievance procedure as set forth in Article 19 hereto.

#### **ARTICLE 8 - PAY PERIOD AND PAYROLL DEDUCTION**

1. Employees shall be paid weekly or biweekly or semi-monthly.
2. Any employee through the Union may avail himself of the grievance procedure set forth in Article 19 hereof to contest any action taken by the Employer pursuant to this Article and the Employer agrees to abide by decision rendered through such procedure.

This section shall not apply to employees who either quit, are suspended immediately for disciplinary reasons, or are discharged after they report for work or to the employee who themselves take time off during the course of the day when not required by the Employer. At the option of the Employer, this section shall not apply to employees reporting late for work. If a regular full time employee is late for work and a substitute is called, that employee may be laid off for that day without compensation. This section does not apply to short hour and on call employees.

Regular part-time employees accrue vacation hours according to a pro-rata amount based on the amount of hours worked each pay period in proportion to full-time employees. Short hour and on call employees are not eligible for paid vacation. Vacation time may accrue up to a maximum of 1 ½ times the team member's current annual rate of accrual. 4. Vacation accruals will be based on the number of all hours worked to a maximum of forty (40) hours per week, including compensated time off for holidays, vacations and sick leave. Employees shall receive their full accrual amount according to the schedule above.
